*Join us for the most exciting and entertaining fundraiser  
of the year — the 2010 Biz Bash!*

The Biz Bash features great music, fantastic food, a top-notch silent auction and a uniquely casual approach to doing some serious good.

**In the Biz Bash's three-year history, nearly \$350,000 has been raised for kids in Arizona.**

This year, we hope to see the same success. *All proceeds of the event go to HopeKids, which provides ongoing events and activities and a powerful, unique support community for children with life-threatening medical conditions. This event features a fantastic band with hits that take you back — past bands include Three Dog Night, Lou Gramm and Starship with Mickey Thomas.*

This isn't your typical fundraiser. No black ties or fancy gowns. No formal dinner. No long-winded presentations. You're not stuck at a table all night. You'll be walking around, dancing, taking in the amazing atmosphere and food, and meeting new friends. However, if you prefer reserved table seating, please take a look at our sponsorship opportunities.

# MEET THE BENEFICIARY

## HopeKids

PO Box 55885, Phoenix

Phone 602.843.HOPE • hopekids.org

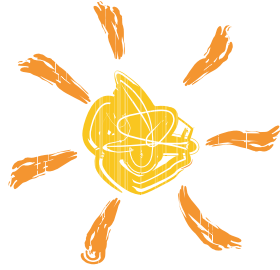

HopeKids is an Arizona-based non-profit organization serving children with cancer and other life-threatening conditions and their families in the Phoenix Metropolitan area and beyond.

HopeKids provides an ongoing program of regular, highly-anticipated events and activities to help restore fun, excitement and hope to what can be a difficult and uncertain future. By creating constant anticipation of what is coming next, HopeKids strengthens a child's ability and willingness to fight.

Those who are newly diagnosed, those in the midst of difficult treatment and those who are healed and cancer free all come together to encourage and support one another. These remarkable children are surrounded with a message that their battle against cancer is one that they can win —hope is a powerful medicine.

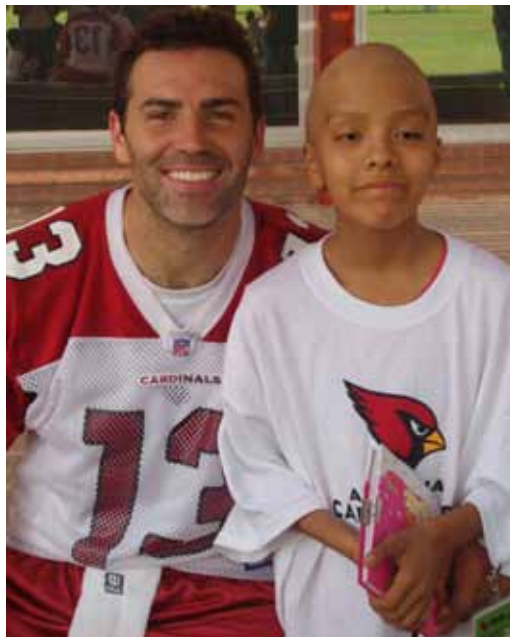

"Eric has been looking forward to the Day of Hope for months! And what a day it was! I don't think I have seen him do so much physical activity in what seems forever. He was so encouraged that he made it all the way up the climbing wall. On the way home he said 'This was the best day of my life! What a blessing!'"

*-Cathy, mother of Eric, cancer diagnosis.*
